MEMORANDUM FOR: General Counsel

SUBJECT : Contractual Relationships

John:

1. I read with considerable interest [redacted] memorandum of 18 March 1975 which suggests a review of prior decisions on contractual relationships, with the goal of having a composite paper which conforms with Federal personnel law and recent Comptroller General decisions in this area.

2. This is to advise that [redacted] suggestion strikes me as being an excellent idea, and I strongly endorse the study. It seems to be particularly important at this time when the Agency is attempting to get its house in order, and the contractual issue has for some time deserved attention. I am aware that your office has a lot of high priority requirements, but this contract study could prove to be very useful to the Agency.
